

NON-ADOPTED READING LIST

The following is a list of non-adopted suggested readings for Port Charlotte High School students for school year 2008-2009. Teachers of particular courses may be requiring the entire class to read one or more the books listed under that course. However, if a student or parent objects to the content of a particular book that the class is reading, the parent may contact the teacher to request that alternate reading materials be utilized for his/her student. Should you have any questions about the appropriateness of reading materials in any course taken by your student, please contact the teacher.
