## Project Graduation

Class of 2010

\*\*\*\*\*CHECK UPDATES BELOW\*\*\*\*\*

Drinking and driving fatalities on Graduation night kill too many teens each year.

On the night of May 19<sup>th</sup>, 2010 the senior parents of Port Charlotte High School

will be hosting our annual "Project Graduation".

This is an all-night, drug and alcohol-free, lock-in celebration at PCHS from 11pm till 5am.

In an effort to make graduation night a safe, yet fun-filled event for our graduating class,

we are asking for support and donations from our parents and community.

We'd like to provide entertainment, prizes, food and gifts for approximately 250 students.

This is where we need your help.

In order for this event to be a success, we need donations...

Monetary donations, food donations, and prize donations which may help the graduates get started on their way.

Volunteers are needed to help organize this event, to help with the fundraising, and to participate in everything leading up to this awesome celebration.

**Underclassmen will receive service hours for volunteering, so sign on now !!**

### UPDATES:

Please join us for our next meeting which will be held Tuesday, March 23 at 6pm Room I 108 EVERYONE IS INVITED !!

Come on parents, you can do it!! You don't have to have a senior to help!

We are in great need of volunteers. Our volunteer count is very low.  
It is important that we all are on board to make this a great event for our  
graduating seniors !!
