

SUMMER ADVANCED PLACEMENT ASSIGNMENTS

“The Walking Drum,” Louis L’Amour

“The Last of the Wine,” Mary Renault

A copy of the Barron’s AP World History Review Book

YOU SHOULD ALSO PURCHASE A
SET OF THE FLASHCARDS AVAILABLE
FROM BARRON’S AS WELL

In terms of the two historical novels: read them in their entirety. There will be a test upon returning to school in the fall. You should keep a DETAILED cast of character list that includes the character’s affiliations. You should also maintain a journal of major events that occur during the novel.

For the Barron’s Review book: read the ENTIRE BOOK! Do all of the exercises in a notebook that you can present when you return in the fall.

Do yourself a favor, DO the assignments. You have entered a different academic and intellectual world where effort means nothing without adequate results. We have a culture of accomplishment at this academic level, and NOT doing assignments will result in your elimination from this class. DO THE ASSIGNMENTS....AND GOOD LUCK.
