

Early Admissions under Dual Enrollment:

Early admission as a type of dual enrollment is available to juniors and/or seniors who wish to spend their senior year on the campus of a postsecondary institution with which CCPS has an articulation agreement. Currently this type of enrollment is open to students attending either Edison State College or Florida Gulf Coast University. Students who wish to participate in this must meet the criteria set forth in the articulation agreements. These students maintain their enrollment at their home high schools and are still considered to be part of the high school graduating class.

Interested students are encouraged to meet with their guidance counselor for specific entrance requirements.

Early Admissions NOT included under Dual Enrollment:

This program is designed as an alternative plan for graduation for those seniors who have demonstrated through academic achievement and maturity the required ability and motivation to succeed in such an accelerated program. A senior who meets the established requirements of the Early Admission Program may be admitted to the early admission program of any college or university in lieu of competing his/her senior year at high school. In order to be recommended for this program, a student must meet the following requirements:

- The student must
 - ✓ have completed the credit and course requirement to be classified as a senior as outlined in the Student Progression Plan;
 - ✓ be a senior with a 3.0 or higher cumulative un-weighted grade point average;
 - ✓ apply all credits to high school graduation requirements;
 - ✓ have passed the FCAT;
 - ✓ completed one of the following entry level tests and have an entry level test score appropriate for college level instruction prior to enrollment: ACT, PERT, or SAT-I;
 - ✓ acceptance from a post-secondary institution; and
 - ✓ be recommended by the principal.

- The student will receive a high school diploma at the end of the senior/first college year if the student has completed and received such credits as required and approved by the principal to meet equivalent course requirements for high school graduation *and* maintained at least a "C" average.

- The following rules apply to the relationship between the home high school and a student who is in a College Early Admissions Program NOT under Dual Enrollment:

The Student

- will no longer be considered a high school student;
- may participate in graduation, but will not be eligible to be honored as a National Honor Society member;
- will not receive recognition as a summa, magna, or cum laude graduate; and
- may contact his/her home high school guidance counselor to obtain scholarship information and assistance.
