### **Passes to the Media Center**

- Sign out when you leave

Study Hall Passes- You need a special pass to come to the library from study hall. See one of the library staff BEFORE school to obtain a pass- it is good for that day only. You may also come during lunch for an afternoon pass. Report to study hall, have your teacher sign the pass, and report to the library. You must have an assignment to work on or be planning to read. Understand that we only give out three study hall passes per period, so it is first come, first served.
