

Graduating With Honors

Awards for Standard Diploma Students

Summa Cum Laude

Students will receive Summa Cum Laude recognition if, by the end of the eighth semester, they have a 4.2 or higher weighted cumulative GPA and at least twelve weighted course credits with a “B” or higher (to include at least four Dual Credit or Advanced Placement courses credits.) A “D” or “F” as a final grade in any course at any time, including eighth semester, disqualifies students. Grade forgiveness may not be applied to the GPA

Magna Cum Laude

Students will receive Magna Cum Laude recognition if, by the end of the eighth semester, they have a 3.85 or higher weighted cumulative GPA, at least six weighted course credits with a “B” or higher (to include at least three Dual Credit or Advanced Placement course credits), and do not meet the criteria for Summa Cum Laude. A “D” or “F” as a final grade in any course at any time, including eighth semester, disqualifies students. Grade forgiveness may be applied.

Cum Laude

Students will receive Cum Laude recognition if, by the end of the eighth semester, they have 3.5 or higher weighted cumulative GPA and do not meet the criteria for Magna or Summa Cum Laude. A “D” or “F” as a final grade in any course at any time, including eighth semester, disqualifies students. Grade forgiveness may be applied.
